1. Attached is one Honderd Gulden Bankbiljet which is the property of [ ] Dutch civilian, employed by the United States Army. At the time that the Honderd Gulden Bankbiljetten were called in by the Netherlands Government, [ ] was in the St. Canisius Ziekenhuis in Nijmegen, recovering from critical injuries sustained in accident with a United States jeep. Because of his condition and our inability to contact the hospital in Nijmegen by telephone, we did not inform [ ] of the fact that any hundred guilder bills in his possession would have to be turned in. Consequently he was not aware of the fact until his return to duty at this headquarters on 4 August, at which time he handed the undersigned officer the Honderd Gulden Bankbiljet in the hope that it still could be redeemed through official channels. Upon inquiring as to the proper procedure in this matter, undersigned officer was advised by local sources to make application to the Department of Finance.

2. Since [ ] is an employee of the United States Government and was unable to redeem this hundred guilder bill at the designated time because of injuries suffered while in the performance of his duty, it is respectfully submitted by this headquarters that [ ] be permitted to redeem his one note at this time.
